AMENDMENT AND RESPONSE AFTER FINAL REJECTION

This is in response to the Final Action mailed November 26, 2008, the time for responding to which has been extended to and including April 27, 2009 (April 26 being a Sunday) by Petition and authorization for payment of extension fee submitted herewith.

The below amendments cancel the broader claims, clarify and more specifically focus the remaining claims and address particular objections raised by the Examiner. It is respectfully submitted that these amendments place the remaining claims in condition for allowance or at least in better condition for appeal, and do not require significant additional effort by the Examiner. Accordingly, it is believed that these amendments are appropriate after Final Rejection and entry thereof is respectfully requested.

Please amend the Application as follows:
